

## Family Day Care

Country Childrens Early Learning Pty Ltd is a local company that has commenced operating Family Day Care services in Murrumbateman and surrounding areas. We have replaced the Burrinjuck Family Day Care service previously operated by the Yass Valley Council. We currently have 1 Carer providing services in Murrumbateman and need more.

Family Day Care has been a vital childcare service in Australia for many years and a service that is in demand from many local families in Murrumbateman.

We have a waiting list of children from Murrumbateman, Yass and surrounding areas, families needing care in Murrumbateman. Carers wanting to become licensed and join our Family Day Care Scheme are likely to fill vacancies immediately.

We are encouraging Murrumbateman community members who enjoy working with children and want a rewarding role to consider Family Day Care as an attractive employment option. It is a great way to be able to work and be at home for your family.

Family Day Care is a professional and regulated home-based childcare service offering care from birth to 12 years and beyond.
